And so for our first event of the new year we have pulled out all the stops in bringing you Roger Monkhouse. Roger is a regular headline act at such places as the Comedy Store and Jongleurs and one of the writers for 8 out of 10 cats. He is a much in demand act all over the world and we can't think of a finer act to bring you as our seasons opener headliner.

But that's not all, as our opener we are bringing you the comedy superstar in the making Johnny Awsum, who is shooting up the comedy ladder rapidly and it surely won't be long before he is headlining everywhere.

And whilst we are at it, let's throw in the up and coming Bertie Jenner and Tom Glover into the mix. And as if that wasn't enough, how about we add the wonderfully funny Geoff Whiting as your MC for the evening.

So get clicking and reserving folks and we'll see you on 16th

And as february slinks out and March comes stomping in, so does our Comedy Club. We bring you the utterly wonderful John Gordillo as your headliner for this month. A much in demand headliner everywhere who is described as "One of our finest stand ups", "Brilliant. Poignantly funny" and "an inspiration" is surely unmissable in anybodies book.

And then opening the show we bring you the wonderfully sharp Stephen Carlin who was named by Stewart Lee as one of the "Ten Best Comedians in the World Ever".

And then squeezed into the middle of this quality comedy sandwich is the fab up and comer that is Barry Ferns

And of course, last but most definitely not least is your genial host for the evening Kevin Shepherd
